Dear Sisters and Brothers,

This letter is sent with the kind permission of our Worthy Grand Matron and I would like to thank Sister Brenda Hooper for this courtesy. As many members have been asking for our tartan, once again we have received a new batch of 48 meters of the OES Ontario Tartan available at a net cost of **\$54 per meter** including taxes, plus shipping and handling, if applicable, on a first come first served basis.

An updated order form is attached for the use of the members who wish to order our Tartan.

Yours fraternally,

Mary Roycroft, Grand Trustee
Coordinator of the OES Ontario Tartan
